Alphen a/d Rijn	4 hr 45 min	4 hr 45 min	1	1	10	10	
Ouderkerk	4 hr 45 min		1				

Times and the number of locks and bridges shown here are based on the most direct route between stops, using principle waterways. Other routes may be possible - please consult your onboard waterways map. Times are an approximation only and are calculated on the basis of an average speed of 7.5km/h and an average time of 12 minutes to pass through a lock and 4 minutes to pass a lifting bridge. Your speed, the flow of the water and the time it takes to go through locks and bridges will all affect your progress.
